1. The Preliminary Amendment filed 1/6/04 has been entered.
2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In claim 14, line 2, before "fixed voltage", "said" has been changed to -- a --; and
line 10, before "second reference voltage", -- said -- has been inserted.

3. The following is an examiner's statement of reasons for allowance: none of prior art in record taken alone or in combination shows a semiconductor integrated circuit device comprising a fixed voltage generating circuit, first and second reference voltage generating circuits each including a switch and a trimming switch, first and second output buffer, an internal circuit along with specific function(s) of each of those elements and more detailed elements as recited in the claims of the instant application.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Art Unit: 2838
